EMBRACING A
BRIGHTER FUTURE

W E L C O M E M E S S A G E

Dear HAEA Friend,

We are thrilled that you will be joining us for the 2025 US HAEA National Summit, which takes place from July 10th to 13th, 2025, at the Marriott Baltimore Waterfront Hotel in Baltimore, Maryland.

The theme of this year's Summit, "Embracing a Brighter Future," reflects our community's optimistic spirit and willingness to engage in meaningful conversations, strengthen connections, and sharpen the focus on what we can do to continue improving the lives of all people affected by HAE. The Summit offers an extraordinary opportunity for all of us – people with HAE, families, caregivers, and physicians – to come together, learn, support one another, and build long-lasting relationships.

HAEA friends can look forward to a fun, inspiring, and dynamic event featuring just about everything important in the world of HAE!

In the following pages, you'll find an overview of Summit sessions, activities, and essential details about transportation, accommodations, and local amenities to help you plan your trip.

We can't wait to experience the energy and magic of the HAEA Summit together. Wishing you safe and comfortable travels to Baltimore!

Warmest regards,
